

ALONE A VOICE, TOGETHER A FORCE

YES! I will help protect these innocent children from Sex Trafficking!

Please sign these petitions and RUSH them to me so Hillary Clinton (Secretary of State) and Eric Holder (U.S. Attorney General) can be made aware of the need—and your heart—about the danger that threatens our innocent children. Thank you! - Rod Parsley

OFFICIAL PETITION:

Hillary Clinton
Secretary of State

IN THE WORDS of our Declaration of Independence, our nation declares that all men are created equal. BUT “SEX TRAFFICKING” has taken away the voices and lives of millions of young children and women around the world—beating them into slavery, forced labor and sex acts for profit.

PLEASE, MS. CLINTON, what will you do about this? I petition that you remain vigilant against Sex Trafficking. I ask you to do all in your power as Secretary of State to alert international leaders—expose the evil, and destroy the networks of slave trade for sex around the world, and punish the abusers. The brutality MUST STOP!

OFFICIAL PETITION:

Eric H. Holder
Attorney General

IN THE WORDS of our Declaration of Independence, our nation declares that all men are created equal. BUT “SEX TRAFFICKING” has taken away the voice and lives of millions of young children and women around the nation—beating them into slavery, forced labor and sex acts for profit.

PLEASE, MR. HOLDER, I petition that you vigilantly fight to enforce the laws against Sex Trafficking—prosecuting pimps and customers that exploit young girls—exposing the evil—and destroying the networks of slave trade for sex in the U.S. The brutality MUST STOP!

Yes Pastor, I want to speak out for the innocent young victims of “Sex Trafficking,” and I want to see the abusers, pimps and kidnappers prosecuted to the full extent of the law.
